Dear Mr. Hess:

On July 17, 1984, I received a Notification of Hazardous Waste Activity form which indicated that your firm has moved to the above location. In securing an EPA hazardous waste generators identification number for your firm, I discovered that a number had previously been issued to Custom Bilt Parts Company also located at 22 N. 6th Street in Kansas City. For your information EPA Identification Number are site specific. For this reason, I am unable to issue you a number without further information regarding Custom Bilt Parts Company.

If you can provide me with any information such as the date this company ceased operations at your address, whether the company moved to a new location, whether you purchased the company and renamed it, etc., I will then be able to issue you a number.

Should you have any questions regarding this matter, please feel free to contact me.

Sincerely yours,

John W. Mitchell
